May 2011

Dear Friends,

Once again, the time for our Annual Fund Drive has rolled around. While it is a time of asking, it is also a time of thanks: thanks to all who so generously donate each season, thanks to those who are our audiences, and to all the people involved in putting on a show: actors, singers, dancers, production and house staff. As we prepare to enter our 84th season, it's also appropriate to thank the leadership of this great organization, our board members and committee chairs.

This year we have a sound goal for the annual fund drive funds: Sound! As you know, we've been making **great strides** towards having better sound quality with our recent productions, a direct response to audience complaints with their experience hearing our shows. Our audiences filled out sound surveys for a couple of seasons, and the input was invaluable.

We now know that we need to purchase a pair of high-quality speakers like the ones we rented for Godspell, Big, the Musical, A Christmas Carol: The Musical Ghost Story, Almost, Maine, and Harvey. We had great feedback from audience members for these shows that the sound was excellent.

The board of directors decided that all donations this year will go directly toward the purchase of new speakers (about \$10,000 a pair) so that you, our audiences, will enjoy great, consistent sound quality on any Players show for years to come!

You have our sincere thanks as we look forward to our 84th season!!

Wayland Bunnell
President

PS If you prefer you can donate online at www.communityplayersofconcord.org

Please use the enclosed envelope for your valued donation.

YES! I am a Supporter of The Community Players of Concord

Name _____
